Later, Drummer wouldn't go on unless Aunt Evy gave him some sugar.
the horse was very happy and cooperated as much as he
could. He stopped automatically before each customer's
house. Evy heated his oats for him and always washed his
hooves in the stable with warm water and scented soap.
When Evy worked around his chest, Drummer tested his
tremendous head on her small shoulder. There was no
doubt about it. The horse was madly in love with Evy.

THAT OUGHT TO BE YOU IN NAVY BLUE

JOIN THE WAVES TODAY!

THERE ARE MANY NECESSARY AND EXCITING JOBS YOU CAN DO
SEND FOR THE NAVY BOOKLET TODAY

The girls in blue are the girls who are doing a man-size job in the Navy—working shoulder to shoulder with the Navy's gallant men. They rate the admiration and respect of the entire Fleet. Join them today—and when the war is won you can proudly say—

"I Helped Win It."

Football Coach's Daughter—The wave on the left is Mary Frances Hammons, daughter of Mr. and Mrs. Foy Hammons of Hope—Coach Hammons being one of the best known football mentors in Arkansas.

Nobody can afford to sit this war out. The men you know are already in it—flying the planes, manning the ships, firing the guns that are smashing the Nazis and Japs. Deep down in your heart, you know YOU want to be in it, too. And you CAN if you're between the ages of 20 and 36. You can get off the sidelines and get into uniform—as a WAVE. You can fill a vital, man-size shore job that keeps the men of the Navy fighting and winning.
In the WAVES you'll be just as much a part of the Navy as any man in Navy blue. You'll hold the same ratings, earn the same pay—maybe more than you're earning now. You need no special experience to join. Navy training takes care of that. First, you get six weeks at recruit school. Then you'll be ready for advanced training, or assignment to duty at important Naval stations throughout the U. S. A.
Your post may be in radio, aviation, storekeeping, hospital corps, communications—dozens of other fields. But whatever it is it will be important—and so will YOU. For you will belong to that proud crew of women in Navy blue who are proving they can handle a man's job as well as the men they replace. And you'll have the heart-warming satisfaction of knowing that Navy men all over the world are fighting better because you're "pulling an oar" back home.
